RESPONSE TO OFFICE ACTION

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

The following is submitted in response to the Office Action dated June 27, 2002, and is currently due July 29, 2002.

REMARKS

Restriction Requirement

Provisional Election with Traverse

In response to the restriction requirement set forth in the Office Action dated June 27, 2002, the claims of Group 2 (claims 8-20) are provisionally elected with traverse.

Restriction is proper only when (1) the restricted inventions are independent or patentably distinct, and (2) when there is a serious burden on the Examiner (MPEP 803). The burden is on the Examiner to provide reasons and/or examples in support of restriction (MPEP 803). Further, requirements to restrict should have two aspects: (1) the reasons why the inventions are independent/distinct, and (2) reasons for insisting upon restriction (MPEP 808).
